

NOTIFICATION

Sub: Online Vacation Training Summer - 2021 for Engineering College Students.

We are pleased to note the interest shown by the students from various organizations for Industrial / Vacation Training at our institute. KTC Koradi is arranging Online Summer Vacation Training for college students.

Online Training consists of tutorials on Power Plant Technology. This virtual Vacation Training will not include Industrial Visits. Hence Visits to various sections at Koradi Thermal Power Station will not be carried out due to Covid-19 Pandemic Situation. The batches of trainees from various colleges will be registered through online process only.

Schedule of Online Summer Vacation Training - 2021

Students who have appeared for Third year (Sixth Semester) or Fourth year (Eighth Semester) Degree and Third Year (Sixth Semester) Diploma Examination are eligible. Please note that passed out students from the college (Degree / Diploma) are not eligible for this training.

Date of Online Registration: 29 May 2021 Saturday 11:00 Hrs. to 30 May 2021, Sunday 17:00 Hrs. Number of batches will be decided according to the response received from the students. Registration Link www.ktcmahagenco.com
